Hi, folks – Tom and I just discussed our “intro to Florida assumption” briefing on Thursday morning for our new R4 WPD Director, and are sharing the attached for any input by tomorrow morning. If you have time/inclination, could you review for any showstoppers?

We’ve tweaked the PowerPoint just a bit and streamlined the ~“current issues” paper. I’ll skip through some of the detail, particularly on the later “additional information” slides.

We would like to send this to Jeaneanne by late morning (Wednesday) so she can take an advance look if she wants to. Any insight appreciated.
